Price: SOLD

Description:

Arrowsmith's London Atlas Map of the Florida, the West Indies & Central America

Nice example of this fine map of Florida, the Caribbean and Central America, published in Arrowsmith's *London Atlas*.

In Florida, the map notes the "Cape Florida Settlement", a precursor name to Miami, occupied by a group of squatters living across the river from Fort Dallas.

"British Honduras" is shown, the pre-cursor name for Belize.
