Description:

Scarce early edition of Jan Jansson's map of Provence, published in Amsterdam in about 1657.

This early state includes two unusual features. First, the map is attributed to "Mr. Samson, Geographe du Roy", a misspelling of French Royal mapmaker Nicolas Sanson's name. Second, the map pre-dates the addition of the coat of arms of France in the top of the title cartouche, a curious omission, identifying this as an early state of the map.
