Description:

Striking large format map of the Western Hemisphere and Eastern Hemisphere, including routes of 18th Century Explorers (Cook, La Perouse, Vancouver, Pickersgill and Gore).

The Northwest Coast of America is well charted, but still with large unknown areas. The Sandwich Islands have been visited by a number of explorers. New Zealand is prominently shown as two islands. The Western Pacific is dotted with recently explored islands tracks of exploration. Australia's coastline is still inaccurately depicted.
