Description:

This is a pictorial tourist map of Waikiki, showing the many attractions of Honolulu. In addition to being a tourist map and advertising many of the businesses that operate in the area, the map delves into Hawaii's long history and culture, providing tourist-oriented notes about the island.

The map names many of Oahu's biggest attractions, such as the Diamond Head volcano, Waimea Falls Park, and the legendary North Shore of surfing. Many hotels, restaurants, tour operators, and other businesses are also shown, most of which still operate today. In the background of the map, Hawaii, Maui, and Kauai are also visible.

The tropical coloring and bright printing make for a great tourist map. In all, this is a lovely map of Honolulu and Oahu.
