Map Maker: Lotter / Lobeck
Date: 1760 circa
Place: Augsburg
Color: Hand Colored
Condition: VG+
Size: 5 x 4.5 inches
Price: \$ 295.00

Description:

Mare Californiae -- The California Sea

Detailed map of America, from Lotter's *Atlas Geographicus Portabilis*.

The map is perhaps most notable for its unusual naming of the coastal waters off the West Coast of North America as the Mare Californiae.

Shows continuous land bridge from Northwest Coast of America to Asia. The Great Lakes are quite unusual, as is the "Pais de Moozemleck," the remnants of a treatment of the region when California was still mapped as an Island.
