Description:

Attractive original antique map of the far northern coastline of Russia in and around Novaya Zemlya, originally appearing in Vandermaelen's *Atlas*.

The map shows the northern portion of Novaya Zemlya. The coastline of the island is little mapped, and mostly guessed at. The map shows routes taken by famous explorers.

Vandermaelen's monumental *Atlas* accomplished was the first atlas to map the world on a uniform scale. Published in six volumes, each sheet could be combined as individual gores to complete an immense globe.

Detailed Condition:

Original hand-color, in outline.
