### Description:

#### *Harrison Godwin's Pictorial Map of San Francisco*

Charming and amusing pictorial map of San Francisco in the 1920's, even then touted as "The City That Knows How" and "The Ideal Convention City."

Godwin's map is perhaps the largest and most profusely illustrated of all pictorial maps of San Francisco, with dozens of whimsical vignettes illustrating both the modern city of San Francisco and its early history.

### Detailed Condition:

Several minor areas of loss in lower left corner.
