Description:

A fascinating antique map of North America, showing immense Russian Possessions (Alaska) down to the United States.

Buenaventura River extends from the Rockies to San Francisco Bay. The Rocky Mountains extend from Central Mexico to the Arctic Circle. Mississippi River drainage well depicted, but regions west of the Rockies are still largely unexplored. Upper California is New Albion. Ft. Astoria and Clatsop are shown in Oregon Territory. Northwest Alaska is still badly misshaped.

The map was engraved by Young and Delleker.
