**Size:** 14 x 12.5 inches  
**Price:** \$ 1,600.00

### Description:

An exceptionally rare map of California as an island, which appeared in a Hungarian geography in the mid-18th century.

The engraving style is charmingly primitive.

### Rarity

The map is extremely rare on the market.

This is the 3rd example we have seen in the past 30 years.

### Detailed Condition:
