Description:

Nice example of Mathew Carey's small map of Vermont, which first appeared in Carey's American Pocket Atlas in 1796.

Extending from Lake Champlain and the Hudson River in the West to the Connecticut River, etc. the map is packed with early place names.

The map includes the names of the counties and townships of Vermont.

States of the Map

The map is known in 4 states:

- State 1 (1796): No roads. Most towns lacking the ° symbol.
- State 2 (1801): ° symbol added to most town names across the map.
