### Description:

A rare early miniature English map of Turkey in Europe, found in John Seller's *Atlas Minimus or a Book of Geography Shewing all the Empires, Monarchies, Kingdoms, Regions, Dominions Principalities and Countries of the World*, presenting a fascinating view of the region during the late 17th century.

John Seller's *Atlas Minimus*, published in 1679, is one of the rarest and most sought-after miniature atlases.

This intriguing map, titled "Turkie in Europe," encompasses a wide array of territories such as Romania or Thrace, Lesser Tartary, Moldavia, Walachia, Transylvania, Hungary, Greece, Slavonia, and Bosnia. The map offers a valuable perspective on the geography and political landscape of southeastern Europe during this period.

The map's significance lies in its ability to provide a snapshot of the understanding of European geography at the time, as well as its inclusion in Seller's highly sought-after *Atlas Minimus*. The atlas, a prized artifact among collectors and scholars, contains numerous maps of various regions around the world, illustrating the breadth and depth of knowledge available in the late 17th century.

### Detailed Condition:

Wear and toning along the centerfold.
