### Description:

Highly detailed folding map of Minnesota, providing a remarkably detailed treatment of the Railroads within the state.

Beginning in about 1886, the Railroad Commissioner issued a revised map of the State of Minnesota on a periodic basis.

Rand McNalley issued these maps until 1903. George Cram began issuing the maps in 1904, at which time the format was slightly enlarged.

These early Rand McNally editions of the map are quite rare.
