A Map of the Detroit River and Adjacent Country . . .

Stock#: Map Maker:	0130bm Melish
Date: Place: Color: Condition: Size:	1813 Philadelphia Outline Color VG
Price:	Not Available

Description:

Map of Detroit River from the First Edition of Melish's Famed Military Atlas, A Major War of 1812 Cartographic Artifact.

One of Melish's earliest works. An important work relating to the War of 1812, and also one of the earlier authoritative treatments of the United States, preceding the general maps of Melish and Shelton & Kensett. Along with those maps, Arrowsmith's, and Abraham Bradley's, the Melish *Military Atlas* (in both editions) is an important inclusion for anyone interested in early Federal Period mapping of the United States.
