Description:

Interesting and highly detailed map of Northern India, Bangladesh, Pakistan, Nepal, etc and extending north to the Himalayas. Some of the more interesting early place names include Cabulistan, Kandauna, Harduari, Binsola, Burchar, Kachemire, Iamba, Ragepor and others. A striking, richly engraved work, annotated with notes on the Ganges and other regions. Coronelli's maps are unique in their engraving style and visual impact. A few pinholes and a bit of browning at the fold, else a nice example.
