Description:

Striking full color example of Tallis's town plan of Southampton. Shows roads, buildings, railway stations, churches etc. Also includes landscape insets of the Bar Gate, Netley Abbey, the Railway Station and a small panorama of Southampton. Tallis was one of the last great decorative map makers. His maps are prized for the wonderful vignettes of indigenous scenes, people, etc. The town plans engraved by Tallis appear in only a small percentage of his works, making them harder to obtain than his regional maps.
