Map Maker: Dufour
Date: 1834
Place: Paris
Color: Outline Color
Condition: VG+
Size: 10 x 13.5 inches
Price: SOLD

Description:

Elegant map of Mexico the year prior to the independence of Texas. What distinguishes this map from all others of this period is that certain roads and cities have been printed in red, using a process which resulted in a second plate strike. The second strike highlights important roads and cities. The map shows some of the first detailed reporting of Jedidiah Smith's explorations, and a number of the early western myths persist, especially near the Great Salt Lake.
