Description:

Rare late edition of Sanson's second map of the Polish Empire, Lithuania, Ukraine, etc.

Sanson created this scarce map of modern day Poland, Lithuania, Belarus and Ukraine, etc. in 1655 and revised several times over the next 50 years. The date 1679 can still be seen in the top right corner, above the world "Galleries."

This late edition would appear to be quite scarce on the market, having been issued by Sanson's heirs, well after the death of the patriarch of the firm.

Detailed Condition:

Narrow top margin, just trimmed into printed image at the top of the map.
