Description:

Detailed map of the region bounded by Southeast Asia, Formosa, the Carolines and the Northern part of Australia, including the Gulf of Carpentaria, Torres Straits, Cape Flattery and Arnhem's Land. The key shows the various regions, including the Philippines, Moluccas and Isles of Sunda, and the various native and European inhabitants, including the Spanish, Dutch and Portugese. A fascinating map, coming prior to the first circumnavigation of Australia at a time when this part of the world held a substantial new interest for exploration and commercial exploitation.
