### Description:

Fine example of this rare engraved edition of the US Coast Survey map of the area between Boca Grande Key and Sugar Loaf Key, centered on Key West, published separately on thick paper as a presentation copy.

A fine example of this separately issued chart centered on Key West and engraved for the coast survey on thick paper, unlike the thin tissue paper copies which were bound into the official reports.

Lengthy tidal observations, notes on light houses, tides, general notes and sailing directions, along with extensive soundings and topographical details.

Printed on thick paper and never folded, the chart is in near fine condition.
