**Description:**

Unusual thematic chart shows the traveling distances from various European cities in a style that is still used today.

The densely engraved chart includes two scales to show the traveling distances. The chart also gives the distance to select cities outside of Europe including Jerusalem and London. There are over 200 cities included. The huge title cartouche incorporates a complex vignette of human activities and a large shell holding the title.

**Detailed Condition:**

Minor damp stain and some minor paper loss in the margins.
