**Description:**

Fine old color example of this extremely rare map of Italy, Sicily, Corsica and Sardinia, bearing the names of Carol Allard and Joannes Van Keulen.

The coloring on the map is superb and was unquestionably applied by one of deluxe specialty colorists of the period. It is very unusual to see such an exceptional example.

The map itself is a great rarity. We located only a single example of the map in the Catalog of the collection of Harvard University, published in 1831.

**Detailed Condition:**

Deluxe old color example.
