Description:

Fascinating map of North America, showing an immense Russian possession (Alaska), extending down to 54-40 northern border of Oregon Territory.

Buenaventura River extends from Rockies to San Francisco Bay. Rocky Mountains extend from Central Mexico to the Arctic Circle. Mississippi River drainage is well depicted but regions west of the Rockies are still largely unexplored. Upper California is New Albion. Ft. Astoria and Clatsop are shown in Oregon Territory. Northwest Alaska is still badly mishaped.

A striking map from an early edition of Finley's Atlas.
