### Description:

Detailed map of Berlin, with a map of the area around Berlin shown on the verso, prepared in 1936 in anticipation of tourists attending the 1936 Berlin Olympics.

The map provides excellent detail showing the Theater, Cinemas and Concert halls in and around Berlin.

The view shows the Berlin city center and its attractions; the back shows a map of Berlin's surroundings with many illustrations.

### Detailed Condition:

Folding promotional map with map on the verso.
