Novus Orbis Sive America Meridionalis et Septentrionalis . . . (California as an Island)

Stock#: 45956
Map Maker: Seutter
Date: 1730 circa
Place: Augsburg
Color: Hand Colored
Condition: VG+
Size: 23 x 19.5 inches
Price: SOLD

Description:

Nice example of Seutter's map of America, with two spectacular cartouches.

A highly detailed and richly engraved map. Seutter's maps are among the most packed with geographic detail, real and apocryphal. The Great Lakes are very unusually shaped. A number of mythical western places are shown. South America is much too wide. The Mississippi is considerably west of its proper course. Many other interesting features.
