Description:

A useful reference map for understanding " Prussian militarism during the era of peace conferences."

Scarce New York Sunday News map of Europe, drawn by Edwin L. Sundberg.

The map shows Germany as it was in 1937 and suggests that the reader keep the map, which will be useful when later reading discussions of "proposals regarding the future Prussian militarism during the era of peace conferences."

One of a number of Sundberg maps published as Sunday news inserts during the war years. Sundberg was known to have been a pictorial map artist both before and after the war.

Detailed Condition:

Laid on board. Evidence of an old fold split.
