### Description:

Large view of Riga with two coats of arms and key below.

The present example is state 4 (of 4) and the only one printed from the 3rd plate. The view differs from the first three states in many details and can be indentified, among others, after two coats of arms in the upper right corner.

No information is known about J. F. Saur, who can only be connected to a few drafts for engravings of views and ornaments.

### Detailed Condition:

Restoration along the right margin, affecting some of the text and neatline, etc. Some loss of text in the key.
