Fine map of Haiti, which includes an early printing of the Haitian Constitution on a separate sheet.

The map publishes the text of the 1806 Constitution of Haiti, as revised in 1816.

The map appeared in Buchon's edition of Carey & Lea's Atlas, which was highly prized not only for its cartographic information but for the marvelous information about each of the states and territories included.

The atlas was issued in 6 editions in English, French & German, between 1822 and 1827. The French edition is a completely revised map, with better engraving quality than the original Philadelphia edition.
