**Carta costrutta per servire all' Intelligenza del viaggi di Carlo Vidua....1825-27**

**Stock#:** 49952  
**Map Maker:** Capietti  
  
**Date:** 1836  
**Place:** Italy  
**Color:** Color  
**Condition:** VG  
**Size:** 22 x 16 inches  
  
**Price:** SOLD

**Description:**

A rare Italian map of the United States, engraved to illustrate Carlo Vidua's travels in the United States.

Because of a time delay in the issuance of the map, Texas is shown as a Republic. The Sioux District and Huron District are also shown. Nice detail in the Southwest.

The map is very scarce, with no record of any example in a dealer catalogue in the past 20 years.

**Detailed Condition:**

Some foxing
