***Presented to Farabee's Wife***

An interesting archive of maps drawn to illustrate William Farabee's first expedition to South America, to visit the indigenous peoples of Eastern Peru.

Along with the maps enumerated below, the archive includes a book with a supplemental title page "Amazon Expedition Notes by William Curtis Farabee". That book includes an inscription by Farabee to his wife "To my best traveling companion / with the compliments of / Her Husband / Wm Farabee". The book includes a number of original photos pasted onto the pages.

All of the maps are pen and ink manuscripts on drafting linen.

The archive includes several 5 original photographs from Farabee's Expedition, added into a compilation
