Description:

Original antique Japanese woodblock broadside. This item lists the productivity of the Kanto Region (now the Greater Tokyo area), providing some insight into the layout of the area at the time the work was produced.

The work lists places, amounts of arable land (in units of "stone"), and the controlling lords of the area. The text is divided into four sections, with bold text to the right and three blocks of smaller text to the left.

Detailed Condition:

Archivally backed on paper. Minor dampstain and repaired tears into neatline.
