**Description:**

***Fine Example on Thick Paper***

Early sketch chart, showing the Santa Barbara Channel from the Town and Mission of Santa Buenaventura (Ventura) to Point Mugu and extending east to Anacapa Island and the western coastline of Santa Cruz Island.

Includes a large inset of Point Hueneme and a set of notes and sailing directions in the bottom right corner.

This example was previously in the Bancroft Library, given to Bancroft by the important American mapmaker, George Davidson.
