Description:

Rare map of the Poznan region of Poland, published in Amsterdam by Covens & Mortier.

The G. F. M. referenced in the map title is Gregorius Freudenhamerus Medicus, a physician who apparently treated the map's maker, Wojewoden Krzysztof Opalinski (1609-1655), as a result he dedicated this map to him.

According to Niewodniczanski, Imago Poloniae, K82, a first state should exist with a date of 1645. However no copies are known to exist.

Detailed Condition:

Old Color.
