Description:

Highly detailed map of Egypt, following the Nile as far south as Asouan and Shelalat and including the Oasis of Magna, Oasis of Parva and other remarkable fine details. Includes the Gulf of Suez, Red Sea and Gulf of Acaba. Highly detailed regional map, one of the best regional maps of the area to appear in an English Atlas during the period. Pinkerton's now rare elephant folio atlas is one of the best engraved works of the period. While lesser known than the more common atlases by Cary & Thomson, it is a superior work, especially in the detail of the maps. A nice example, with only minor soiling at the centerfold and outer margins.
