Description:

Scarce historical map of present-day Ukraine including Crimea and the Sea of Azov.

The map was published in Paris in 1665 and was intended to reflect the geography of the region at a much earlier date even than the 17th century.

This example comes with the much rarer engraved toponymic table joined at the left.

Detailed Condition:

Original hand-color in outline. With the rare engraved toponymic table joined at the left.
