**Condition:** VG+  
**Size:** 15.5 x 12.5 inches  
**Price:** \$ 325.00

### Description:

Scarce late edition of this detailed map of the Southwestern United States, published by the Society for Diffusion of Useful Knowledge.

The map shows a fine snapshot of the earliest Western territorial configurations shortly after the completion of the Trans-continental railroad.

Excellent detail and notations throughout the map, including notes on Indian Tribes, mountain elevations, topography, etc.

A great collectors map.
