### Description:

Striking set of 4 maps on a single sheet, published by Thomson.

Includes a beautiful vignette of Tenerife in the center and detailed maps of the Madeira, Azores, Canary, and Cape Verde Islands. On each map with longitude measured from Ferro or the Prime Meridian; the island of Ferro is shown on the Canary Islands map. An inset shows Porto Pim, the Igreja de Santa Catarina de Alexandria, and Forte de Santa Cruz on Faial. A second inset shows Arrecife Bay, with Castillo de San Gabriel, on Lanzarote.

### Detailed Condition:

Original color. Some buckling of the paper around centerfold. Minimal foxing mostly contained to margins. Minor damage to the bottom edge.
