

Terra Antarctica

Stock#:	96724
Map Maker:	Beer
Date:	1678
Place:	Nuremberg
Color:	
Condition:	
Size:	4.63 x 3.75 inches
Price:	SOLD

Description:

Interesting map of the South Polar Regions, published in Nuremberg by Beer.

The map depicts an entirely mythical Terra Australis, with New Zealand attached to the mythical southern continent.

Australia also appears in a primitive configuration, based on Van Diemen's discoveries.
