Description:

Detailed map of the State of New York, from Morse's American Universal Geography, one of only a few atlases published in the US prior to 1800. Map naming (but not dividing) 3 counties. Genessee Country labeled in western part of state. Details towns along roads, rivers, etc. Approximately 20 mile wide piece of land on Susquehannah River near Pennsylvania line labeled "Ceded to Massachusetts". Engraved by A. Doolittle. A bit of staining and foxing, but in all a nice example of this early map.
