### Description:

Extremely rare separately issued chart of the eastern part of the United States, from Long Island to Cape Fear, published in New York by Charles Copley.

Includes an extensive table of tides and inset maps showing bays and entrances, including Chesapeake, Cape Fear, New York, Delaware, Hattaras, Ocracoke, Chincotague, and Lookout. Details include lighthouses (shown in red), bays, anchorages, shoals and a host of other fine coastal details.

Copley's chart is extremely rare. We were able to locate only the examples in the British Library.
