Description:

Fantastic set of views of the building and interior of the New England Conservancy of Music in Boston.

Includes a large view of the building and smaller views of the Dining Hall, Music Room & Hall, Hall & Elevator, Art Department, and Tuning Department, with other smaller symbolic vignettes, one or more of which were drawn by Joseph L. Jones, who signs in the lower right corner of the main view.

The view is apparently quite rare. The only example listed in OCLC is in the Boston Athanaeum.
