***Fundamental Exploration Map for Montana, Idaho and the Upper Missouri River Region.***

Highly detailed map of the region between the Upper Missouri and the area from around Fort Benton to the Columbia River, primarily covering Montana, Idaho and Eastern Washington and Oregon.

The map shows the graphic depiction of the Pacific Railroad Surveys as they surveyed for a northern route (47th and 49th Parallels) on an expedition led by Isaac Stevens, Governor of Washington Territory. Most of the map covers Montana, with extraordinary detail and excellent relief, naming rivers, numerous routes with dates, and interesting topographical commentary.

The following are some of the many exploration routes shown:

- F.W. Lander (1853)
- Stevens & McClellan (1853)
- A.W. Tinkham (September 1853)
- A.W. Tinkham (October 1853)
- A.W. Tinkham (December 1853)
