La Hollande suivant les Nouvelles Observations

Stock#: 0090dd
Map Maker: van der Aa
Date: 1700
Place: Leiden
Color: Hand Colored
Condition: VG
Size: 9.5 x 6.5 inches
Price: SOLD

Description:

Decorative map of the Netherlands, published by Vander Aa in Leiden, which as apparently struck twice during the printing process.

In the lower right and left corners, it is possible to see a slight mis-alignment in the plate strikes, causing a curious shadowing affect. As this type of printer's error was typically discarded, examples of this sort of printer's error are relatively rare on the market.

Detailed Condition:

Interesting "double strike" printing
