Description:

First edition of Speed's map of Virginia and Maryland, which was engraved by Francis Lamb and first appeared in the enlarged edition of Speed's Atlas in 1676. The map is one of the first to incorporate the discoveries of Augustine Hermann made 3 years prior to the map's publication. Unlike earlier maps by Speed, the map has ample margins. Minor repairs at the centerfold and evidence of old an old printer's crease, but overall an excellent example of this highly sought after map, one of the first English maps of the region.
