### Description:

A marvelous regional map showing area bounded by the Mississippi River, Gulf Coast and the Southern Appalachians, drawn from Mitchell's monumental work. This map is in fact one sheet of Zatta's 20 sheet map of North America. It includes many details regarding the local Indians (Apalaches, Creeks, etc), the quality of the lands and other notes. Several early roads are shown, starting with Welk's road, complete with mileage notiations. One of the most interesting 18th Century maps of the Gulf Coast Region. A several forts are shown and crossed swords locate various battles.
