Description:

Highly decorative map of the Canal of Constantinopel and plan of the the town, with 2 decorative cartouches and a remarkable decorative border. The present example is an unusally strong dark impression, with wide clean margins. Coronelli was possibly the best Italian mapmaker of his time. He made globes, including one 5 meters in diameter for Louis XIV. From Coronelli's rare Atlante Veneto, one of the most decorative and ornate of all 17th Century Atlases. The map exhibits the fine engraving style of this coveted Venetian Atlas.
