Description:

Striking map of the West, with a large inset of San Francisco and Environs, from Meyer's Hand-Atlas. Shows Spanish Trail, Cooke's Wagon Route, Kearney's Route, Lewis & Clarke's Canoe Route, Oregon Route, early roads, towns, Indian Tribes, mining claims, mountains, rivers, etc. Mormon Settlement at Salt Lake shown. No Lake Tahoe. Massive Tule Lake. Early California Counties shown. Pre-Gadsden purchase border with Mexico. Early forts located, especially in Oregon Territory. Nice topographical detail after Fremont, although still very conjectural in the Great Basin. This map is often referred to as the German Mitchell, but the inset of the Gold Regions makes it unique and more attractive than contemporary maps by Mitchell. A highly desirable map.
