Stock#: 0452
Map Maker: Selves
Date: 1833
Place: Paris
Color: Hand Colored
Condition: VG+
Size: 17 x 13 inches
Price: SOLD

Description:

Rare large format map of the region which was apparently prepared for instructional purposes. An extremely early example of lithography on French maps, perhaps the earliest we have ever seen. The publisher is unusual. We purchased this map in a small group, but we have never seen the work before these examples. Highly detailed and interesting map. At a time when unusual imprints are getting increasingly difficult to obtain, this represents a valuable addition to any collection.
