### Description:

Detailed map of North Carolina, hand colored by county and showing towns, roads, rivers, forts, lakes, swamps, islands, inlets, etc. Overall image size is 24x17 inches, surrounded by text describing the state, its population, governors, religion, education, commerce, climate, topography and other details. From the French edition of Carey & Lea's American Atlas. A gorgeous example. The French edition is known for being a superior work, using better paper and a superior engraving technique.
