Condition:	VG+
Size:	10 x 8 inches
Price:	SOLD

Description:

Bradford's map of the Southwest, including the Republic of Texas, from his 1835 Comprehensive Atlas, the first atlas to include a map of the Republic of Texas. Upper California is also shown, with continuous rivers flowing from the Pacific to the two Salt Lakes, Timpanagos and Teguayo. A nice clean example. Texas is named Coahuila & Texas in this example.
