Description:

First detailed mapping of the regions around San Diego, San Luis Rey and San Juan Capistrano. Extends south to the Bay of San Francisco (Baja), naming San Felipe. Nice detail in southern AZ, including Indian names & "Presidio de Tubson". This map is from Vandermaelen's truly amazing 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. His treatment of the Western US is a landmark in the history the cartography of the Western US, undertaking to map in 20 sheets a region which American publishers were virtually ignoring.
